

Online Training

Introduction to EU Dietary Risk Assessment and the Evaluation of Metabolites

27 and 28 October 2022, Online 

Ensuring consumers are adequately protected is a key element of pesticide regulation. Dietary risk assessment as part of an active substance or plant protection product evaluation is one of the essential calculations in this context. During this training course, you will receive an introduction to the processes in the EU, covering residue data requirements and how to conduct a dietary risk assessment. Additionally, you will learn about toxicology data requirements and how metabolites identified as having a potential for dietary exposure are assessed.

Learning Objectives

- Gain an overview of residue data requirements and the selection of residue values
- Understand how to conduct an EU dietary risk assessment
- Learn how to assess dietary metabolites during a PPP registration

Thursday, 27 October 2022

09:00 – 13:00

Welcome address

The EU dietary risk assessment

- Introduction and overview
- Residue data requirements
- Selection of residue values
- How to conduct the risk assessment

Participation Fee

€ 795.00 plus VAT

Timings are in
Central European Summer Time [CEST](#).

Friday, 28 October 2022

09:00 – 13:00

Dietary metabolites in PPP registration

- Identification in metabolism studies
- Genotoxicity: Use of QSAR, read across and data requirements
- General toxicity: Data requirements and threshold of toxicological concern (TTC) calculations

Summary & Discussion

The Organisers

For more than 25 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups.

Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Cognos, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who will benefit from this training?

Professionals working in the fields of:

- ✓ Toxicology and risk assessment
- ✓ Product safety
- ✓ Regulatory affairs

Sectors that should take part:

- ✓ Pesticide industry
- ✓ Competent authorities, regulatory bodies and research institutes
- ✓ Consultancies
- ✓ Professional associations

How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. Prior to the training, we will provide you with your login details which will allow you to participate and ask questions from your preferred location. All you need is a stable internet connection and an audio hardware system – and away you go!

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
