

Online Training

The EU Food Law Essentials

Safety, labelling and compliance in practice!

15 and 16 September 2026, Online

This training offers a structured introduction to EU food law, focusing on food safety, hygiene, contaminants, residues, labelling and advertising. Participants will gain insights into the General Food Law Regulation, the Hygiene Package, contaminants and pesticide residue rules, as well as the Food Information Regulation.

Learning objectives

- Understand the EU food law framework & key actors
- Deepen knowledge of food safety, hygiene, contaminants, residues, labelling & advertising
- Apply rules through case law & real-world examples
- Gain guidance on risk communication & crisis management

Note: Basic understanding of chemical processes and food compositions is necessary.

Tuesday, 15 September 2026
08:45 – 13:30 CEST

The Organisers

For 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups. Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who will benefit from training?

Regulatory, scientific, and legal professionals throughout the food supply chain, who want to keep up-to-date on the latest EU-food law developments in Europe.

Sectors that should take part:

- ☒ Food and drink industry
- ☒ Food trade
- ☒ Packaging industry
- ☒ Laboratories
- ☒ Professional associations

Practical case studies, examples from enforcement practice, and recent case law will illustrate how to apply the legal requirements. The training also addresses risk communication, crisis management and FAQs, ensuring participants can confidently apply EU food law in practice.

How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. The training will be conducted using the meeting tool Zoom. Prior to the training, we will provide you with your login details, which will allow you to participate and ask questions from your preferred location. Simply log in on the day of the training – and away you go!

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
