

Online Training

# The EU Food Contact Legislation

Framework Regulation, Safety Assessment,  
Compliance, Case Studies

24 September 2026, Online

Food contact materials (FCMs) are central to food safety – but often face regulatory gaps and compliance challenges. This intensive online training explains how the EU regulates FCMs, and how to handle non-regulated materials.

We will also explore ongoing revisions, and interactive workshops and case studies will help you apply the legislation to real situations.

**Learning by doing:** This training includes practical exercises.

## Learning outcomes:

- Know what FCM are and how they are regulated in the EU
- Understand compliance challenges: Non-regulated materials, conformity, toxicity
- Learn about current EU policy updates on sustainability, packaging and chemicals law

## Morning Session 09:45 – 12:15 CEST

Welcome address and introduction

### Introduction of food contact materials

#### Practical exercise 1

Workshop: What are FCMs and what are the aims of regulation?  
*Group work, presentation & discussion of results.*

### EU Regulations in detail

- Overview of EU food contact material legislation
- Framework Regulation (EC) No 1935/2004 & GMP
- Key rules for plastics, recycled materials, and other FCMs
- Declaration of Compliance and migration requirements

### Ongoing revisions & policy updates

- Current evaluation of EU food contact legislation
- Packaging and Packaging Waste Regulation (PPWR), incl. PFAS ban
- Chemicals Strategy for Sustainability & REACH
- Green claims, microplastics, and future sustainability topics

## Participation Fee

€ 645.00 plus VAT

## Afternoon Session 13:15 – 15:00 CEST

### Practical exercise 2: Case Law and EU Regulations

Workshop with examples from recent EU-level cases and compliance enforcement.

*Group work, presentation & discussion of results*

### Case studies on “hot topics”

You will study cases and familiarise yourself with the EU Regulations with regards to FCMs.

- Bisphenol A (BPA)
- Bamboo cups
- Mineral oils in food packaging

*Joint discussion of results*

**Timings are in Central European Summer Time CEST.**

## The Expert

Karola Krell Zbinden, Food Lex, Switzerland

## The Organisers

For more than 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups. Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at [www.akademie-fresenius.com](http://www.akademie-fresenius.com)

## Who should attend this training?

Regulatory, scientific, quality assurance and legal professionals throughout the food packaging supply chain who want to keep up-to-date on the latest food packaging law developments in Europe

## How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. Prior to the training, we will provide you with your login details which will allow you to participate and ask questions from your preferred location. All you need is a stable internet connection and an audio hardware system – and away you go!

**Terms of Participation and Purchase:** The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

**Group Reductions:** For joint bookings received from one company we grant a 15% discount from the third participant onwards.

**Terms of Cancellation:** Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

**General Terms and Conditions:** By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet ([www.akademie-fresenius.com/general-terms](http://www.akademie-fresenius.com/general-terms)) or receive them on request.

**Personal Data:** The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: [www.akademie-fresenius.com/dataprotection](http://www.akademie-fresenius.com/dataprotection).
