

Online Training

# Introduction to the BPR: From Regulatory Basics to Risk Assessment and Compliance

15 and 16 October 2026, Online

The Training helps you to cut through regulatory complexity and learn how to bring compliant biocidal products to the EU market – faster and with fewer surprises.

Whether you are new to the BPR or looking to strengthen your practical understanding of risk assessment and compliance, this training will provide the tools and clarity needed to navigate the EU regulatory landscape.

## After attending this training, you will

- Navigate the Biocidal Products Regulation (BPR) with confidence
- Cut through BPR complexity and make confident regulatory decisions
- Understand and apply core risk assessment principles
- Ensure compliant labelling and claims for the EU market

## Thursday, 15 October 2026

09:00 – 13:30 CEST

### Understanding the BPR Landscape – A practical introduction to the regulatory system for biocidal products in the EU

- Introduction to Regulation (EU) No. 528/2012
- Regulatory background, key definitions, and innovative elements
- Approval and authorisation pathways for active substances and products
- Transitional measures and legacy regimes
- Navigating the European Chemicals Agency (ECHA) website
- National frameworks: DPR 392/98 and the registration process with a Competent Authority

### Overview of product types, with a focus on chemical-physical and stability testing, hazard assessment, and efficacy evaluation

- Overview of product types
- Physico-chemical and stability testing
- Physical hazards testing
- Efficacy testing

## Participation Fee

€ 845.00 plus VAT

# § BPR

## Friday, 16 October 2026

09:00 – 13:30 CEST

### Risk Assessment in Practice – Human Health & Environment

A hands-on walkthrough of how risk is actually assessed under BPR

- Human health risk assessment
- Primary and Secondary exposure and Substances of Concerns
- Environmental risk assessment
- Primary and Secondary exposure and Emission pathways

### Labelling, Claims & Compliance Boundaries

- What constitutes a label under BPR
- CLP labelling requirements
- Labelling requirements for biocidal products
- What is a claim?
- Claims under the BPR regulatory framework
- Biocidal vs. other claims: where to draw the line

Timings are in Central European Summer Time CEST.

## The Organisers

For more than 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups.

Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at [www.akademie-fresenius.com](http://www.akademie-fresenius.com)

## Who should attend this training?

### Professionals working in the fields of:

- ✓ Regulatory affairs and registration professionals
- ✓ Product stewardship and compliance managers
- ✓ R&D specialists involved in biocidal product development
- ✓ Quality assurance and safety assessors
- ✓ Professionals responsible for market access in the EU

### Sectors that should take part:

- ✓ Biocidal products industry
- ✓ Home, institutional, and personal hygiene products
- ✓ Industry and professional associations
- ✓ Consultancies and advisory services

## How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. The training will be conducted using the meeting tool Zoom. Prior to the training, we will provide you with your login details, which will allow you to participate and ask questions from your preferred location. Simply log in on the day of the training – and away you go!

**Terms of Participation and Purchase:** The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

**Group Reductions:** For joint bookings received from one company we grant a 15% discount from the third participant onwards.

**Terms of Cancellation:** Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

**General Terms and Conditions:** By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet ([www.akademie-fresenius.com/general-terms](http://www.akademie-fresenius.com/general-terms)) or receive them on request.

**Personal Data:** The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: [www.akademie-fresenius.com/dataprotection](http://www.akademie-fresenius.com/dataprotection).
