DIE AKADEMIE FRESENIUS

Where Experts Meet!

5th International Akademie Fresenius Conference

Residues of Mineral Oil and Synthetic Hydrocarbons in Food

+++ ONLINE CONFERENCE +++

18 and 19 January 2027
Online

Highlights

- New EU maximum levels for MOAH and implementation timeline to 2030
- Enforcement perspectives from EU Member States
- Official food control experiences and case studies
- Harmonisation of MOSH/MOAH analytical methods
- New developments in GCxGC and advanced analytical techniques
- Contamination prevention and mitigation strategies
- Industry perspectives from oils & fats, spices, confectionery and retail sectors
- Interactive panel discussions bringing together regulatory, analytical and industry perspectives

The Experts

Maurus Biedermann Official Food Control Authority of the Canton of Zurich | **Claus-Michael Brieber** Food QSafety First | **Martin Einig** German Spice Association | **Thomas Gude** Independent Consultant | **Rüdiger Helling** Saxon State Ministry for Social Affairs, Health and Social Cohesion | **Nils Hinrichsen** ADM | **Michiel Kokken** ofi and European Cocoa Association (ECA) | **Alexander Montoya-Arroyo** EU Reference Laboratory for Processing Contaminants (EUR-PC) and National Food Institute at the Technical University of Denmark | **Eileen Schulz** Institut Kirchhoff Mérieux NutriSciences | **Thomas Simat** Technische Universität Dresden | **Veerle Vanheusden** European Commission

INSTITUT FRESENIUS

SGS

Timings are in Central European Time CET.

Monday, 18 January 2027

Afternoon Session | 13:30 – 17:30 CET

All presentation slots include dedicated time for questions and discussion, moderated by the Chairs.

Welcome address by Akademie Fresenius and introduction by the Chairs

Thomas Gude, Independent Consultant, Switzerland
Thomas Simat, Technische Universität Dresden, Germany

Regulatory issues

Recent and future developments of the EU legislation in the field of mineral oil hydrocarbons in food

Veerle Vanheusden, European Commission, Belgium

EU Member State perspective

Rüdiger Helling, Saxon State Ministry for Social Affairs, Health and Social Cohesion, Germany

Analytical situation

Efforts in MOSH-MOAH harmonisation at the EURL-PC/ NRL network

Alexander Montoya-Arroyo, EU Reference Laboratory for Processing Contaminants (EUR-PC) and National Food Institute at the Technical University of Denmark (DTU), Denmark

New analytical developments

Eileen Schulz, Institut Kirchhoff, Mérieux NutriSciences, Germany

Practical experiences from official food control: Case studies, challenges, root causes

Maurus Biedermann, Official Food Control Authority of the Canton of Zurich, Switzerland

Panel discussion: Regulatory, analytical and enforcement perspectives

Moderated discussion with the speakers, including questions from the audience.

Timings are in Central European Time CET.

Tuesday, 19 January 2027

Morning Session | 09:45 – 13:30 CET

Manufacturers perspective

MOAH contaminations and new legal EU-limits since the 1st of January – implications for the food ingredients industry?

Nils Hinrichsen, ADM, Germany

Neglected supply chain of some oils and fats – showing quite a lot of existing risks of migration of MOSH and MOAH

Claus-Michael Brieber, Food QSafety First, Germany

The MOSH/MOAH issue from the perspective of the herbs and spice industry

Martin Einig, German Spice Association, Germany

Minimisation of MOH contamination in the cocoa supply chain

Michiel Kokken, ofi, The Netherlands, and European Cocoa Association (ECA), Belgium

Panel discussion: Practical sector concerns and the EU-level „big picture"

Moderated discussion with the speakers, including questions from the audience.

How will this online conference work?

Our online conference will be live – with interactive participation – and will be held in the English language. The conference will be conducted using the meeting tool Zoom. Prior to the conference, we will provide you with your login details, which will allow you to participate and ask questions from your preferred location. Simply log in on the day of the conference – and away you go!

The Organisers

For more than 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups.
Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.
Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at
www.akademie-fresenius.com

Who will benefit from this conference?

Professionals working in the fields of:

- Analysis
- Quality assurance & control
- Product safety
- Raw material control
- Regulatory affairs & support
- Research & development
- Toxicology

Sectors taking part:

- Food and drink industry
- Packaging industry
- Food retailing
- Food inspection offices
- Laboratories
- Research institutes
- Professional associations

Terms of Participation and Purchase: The registration fee includes the participation in the event, event documentation, and, in the case of on-site events, lunch, coffee breaks, beverages as well as the evening event. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins. The price of the event documentation includes the login details for the secure download section of our webpage where you will find the presentations in a pdf format. The login details will be sent to you via email after the event and as soon as advance payment has been received.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: For our on-site events, written cancellations or transfers will be accepted free of charge up to four weeks prior to the start of the event. After this date and up to a week prior to the start of the event we will reimburse 50% of the registration fee. We cannot, unfortunately, provide refunds for later cancellations. For our online events, cancellations or rebookings to another event will be accepted free of charge up to one week before the start of the event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. At our on-site events, occasionally, we go around taking photos and videos which are then published anonymously on our website. During our online events, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/dataprotection.
